

# OCEAN DRIVE, EDINBURGH

**MetStructures were contracted to undertake the design, detailing, fabrication, and installation of over 11,000m<sup>2</sup> of 200mm SFS framing & boarding as part of the construction of a next-generation build-to-rent neighbourhood in Leith, Edinburgh.**

Delivering 373 homes, including family and affordable housing, across four apartment blocks and providing 1.3 acres of new public realm space the 2.5-acre site is situated directly on Albert Docks, the historic industrial Docklands in the North of Leith, and

is in close proximity to the shopping & leisure hub, Ocean Terminal.

**Once completed, the buildings will be one of Scotland's most sustainable residential developments.**
